Cameron called me saying she wanted to come over and play. Since it's been raining for days and we both have cabin fever, I told her to come over. She lives two floors down so why did it take an hour to get here? Well, after she got here, it didn't matter. We stripped down and didn't waste any time bumping pussies!

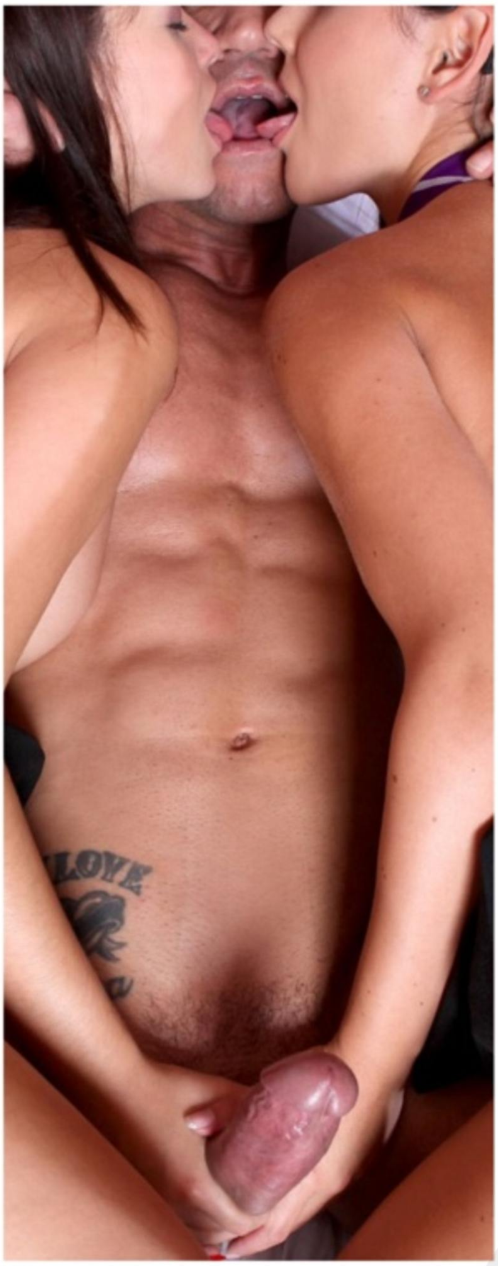
SEXUAL ETIQUETTE

menage à trois

Yes, we know this is almost every man's fantasy. Two women in your bed making love to you with wild abandon while you please them both with your studly ways and ever-hard cock. Unfortunately, this is not reality, and porn movies are make believe, not actuality. But fear not, it can still be done and how it comes out in the end is as important as how it starts at the beginning.



For the past six months or so, my man and I have been debating a threesome, a menage a trois. It's been an ongoing discussion and now his birthday is coming up and I said I'd like to give her as his birthday present. We're not sure if we are going to go through with it or not, but I don't know how to go about asking another woman to join us in our bedroom for a romp? Of course I'm very concerned of what could happen afterwards. I think it would be a fun experience at first but after it ended, I think I might end up regretting it.

While we are not experts on threesomes, we have had many, many discussions with people who have entered into them, with mixed results, as you can imagine. The first thing that everyone says is not to have a threesome to try to save your marriage. It most certainly will not work. It's a venture for experimentation, for fun, for sexual release from the mundane and ordinary. It's also playing with fire, and you must realize that before doing anything.

Part of your discussion should be about boundaries. If there is even a glimpse of jealously, don't do it if you want to keep your relationship. Find another way to spice it up. But if you decide to go ahead, the choice of a partner is crucial.

You could probably find someone at a party, club or bar that you're both attracted to. Don't, and we mean don't, do it with a close friend, co-worker or church mate. As a matter of fact, we suggest not to do it with anyone in your circle of people, or in your small town. If word got out, as it usually does, the repercussions could be quite detrimental to you, your man, and the other woman.

You must make a list with what's okay to do with someone else in bed. For example, no penetrative sex, but giving and receiving oral is okay. Be sure to lay down rules about mouth kissing. Some see it as very personal, others not so much. Do not play in your private bed, this is where the two of you sleep. Best bet, get a hotel room.

Our bottom line for your first threesome – pay for it. Go to Las Vegas, check out the escort ads, find a lady through an agency and invite her to play. They are usually going to be attractive, knowledgeable, willing, and above all, they stay there and you go home back to your own lives. Real names are not exchanged. She'll most likely respect your boundaries and there is likely no hesitation for her to please both the man and the woman. Most likely, the sexual experience is probably going to be better and less inhibited for all of you.

I haven't had a day like this one in quite a while. I'm looking forward to it. Actually, I'm looking forward to Ian's cock, and all the toys he's bringing with him. I can't wait to try them out in my pussy and my ass. I hope you have as much fun with your toys as I'm going to have with mine!

BIG WINGS AND MOIST THINGS

I have a feeling it's going to another long tiring Saturday night here are the Big Wing Factory. There are three professional basketball playoff games on almost all of the two dozen flat screens around the restaurant and bar. There are a ton of guys and a few girls here and the noise level borders on deafening when the home team scores. But I manage to somehow block that all out when I get a look at Kallie.

I'm in the kitchen, making wings. We offer sixteen flavors and man do we go through a lot of wings. Kallie is one of those scantily dresses server girls with the tight tank top and booty shorts. She's one of the hottest, most popular, and biggest tip getter in the place. But she's also really nice and sometimes on nights like this one, she'll help me clean up. I get to clean the front while others clean the kitchen. A much better deal if you ask me.

Kallie's an inch or two shorter than me and I'm 5' 10'. Like all the server girls with long hair, she has to keep it up or pony-tailed. I hear she, as most of the girls, use a tanning salon so they all have a warm "glow" to their skintones. Often I'd daydream about us. That was not a good thing because I'd usually screw up the seasonings in an order and the customers would send them back. Although I had the hots for her I could never do what I did with the other girls; just ask them if they wanted to go out sometime.

So I'd work there, day after day, suppressing my urges until I finally broke out and asked her if I could ask her a question. It wasn't the best place or time. She was at the servers' station waiting to pick up a tray of drinks and I was putting an order on the outgoing counter.

"Kallie, may I ask you a question?" I blurted out.

"Okay, Russ, but be quick, My order is up." she said.

"I was wondering if you would like to have dinner with me next weekend, you know, after work?" I asked quite quickly.

Her response was just as quick, "Ask me tomorrow. Gotta go now."

She pulled the loaded tray onto her strong arm and headed off. The next day was Monday and for personal reasons, the owner closed the restaurant and my chance to ask her again until Tuesday night. Then that was way busy and then Wednesday, finally. I managed to catch her on her ten minute break when she went out to her car to get something. Not wanting to look like a stalker, I went to employee lounge, knowing she probably had to go there before going back out on the floor.

So I'm sitting at a table when she comes in and catches my eye. "Oh, hi Russ," she said. "You know, I've been thinking about what you asked me a few days ago and I think it would be nice to have

dinner with you. Away from this place." We both chuckled and I said that'd be great. I went to the schedule written on the board and pointed to Friday, which did not have her name. "Can I pick you up Friday night?" I asked.

"But you're scheduled for that night." she said, and I was.

"I'll get someone to come in for me, or feign illness." I chuckled.

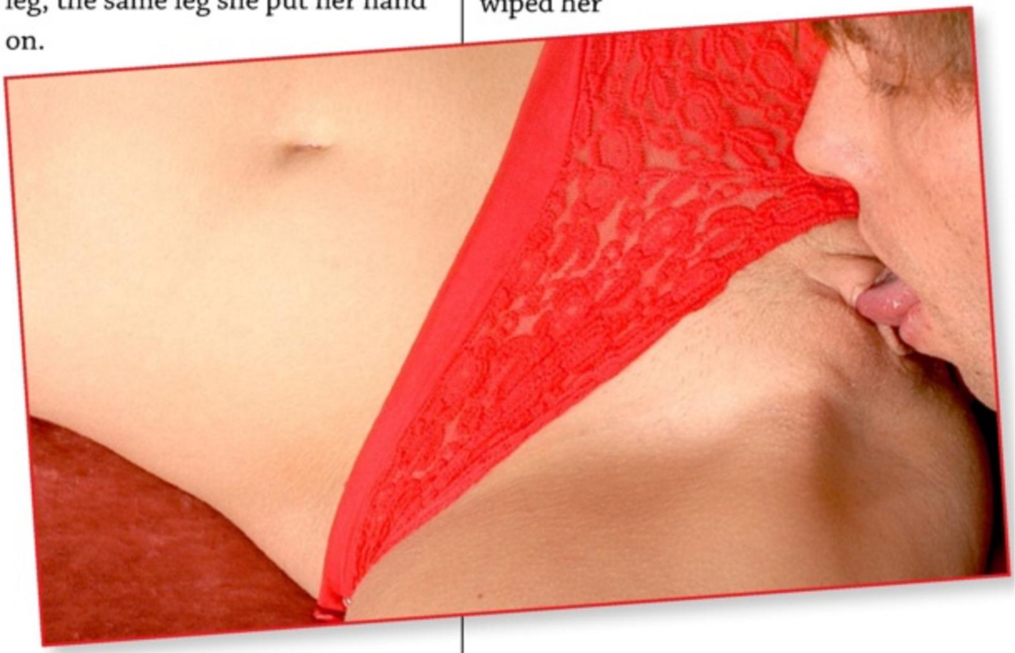
A couple long days passed and it was hard seeing her there and me here, but Friday did come around and I managed the day off. I texted her about two in the afternoon saying I'd be by at five and was taking her to Benny's at the Beach. It's a local hangout with just a touch of class – and a great menu. I hope Kallie likes seafood because I forgot to ask.

Right at five I picked her up. I like a girl who's on time. We had dinner and enough light before sundown to take a short walk on the beach. Turns out she liked fish.

"That was a fun place and the wild salmon was just great." she said on the drive back to her place. Now it's about 10 pm and I hear the words I've been waiting for... "Please come up and have a nightcap," she said. "Our shift doesn't start until three." I told her I would, trying to be as gentlemanly as possible.

She bought out a couple drinks for us and I found a dvd and put it in her machine. As the movie started up, Kallie pulled out a small remote and dimmed the lights down low. As we got into the movie we both became more comfortable sitting next to each other. After the first action scene was over, I leaned back and extended my arm down the top of the sofa. She too leaned back and nestled into me putting her hand on the inside of my thigh.

She probably sensed the heat on my groin growing as she inched her hand slightly toward my crotch. Inside my pants my erection grew long and hard and down along my leg, the same leg she put her hand on.



She continued to edge her hand up until her open palm rested firmly on the shaft of my cock. Our eyes met. In that instant I knew we were both thinking the same thing.

I just closed my eyes when I felt her hands unzipping my pants and pulling my throbbing cock out. She went down on me, first kissing and licking a bit, then finally letting her mouth engulf my cock. I laid my head back in ecstasy. She tried as hard she could trying to deep throat my cock, but couldn't quite make it. She pulled my cock in and out and rubbing it against her moist lips. Man, she was good. I tried not to think where she learned all this, but within ten minutes I was ready to cum.

And she knew it. She pulled my cock out so I wouldn't cum in her mouth. Instead, she let the hot jizz shoot onto her face and started to laugh. It stared dripping on the couch so I took my shirt off and wiped her face as clean as I could. She was sure to get any that remained around her lips. After she finished up, we both stripped naked and laid back. She climbed on top and mounted my still very hard cock, sinking it slowly into her tight bald pussy.

She moaned and I reached up for her boobs and she sat further and further down on me until finally my entire cock was buried deep in her pussy. I could feel her inner walls pressing back against my cock as it slid in and out, and then in as

far as it would go. She tightened her vaginal muscles to hold me there, then released me for more.

Then slowly rotated on my cock so she was facing away from me. This was the first time I got a good look at that fine ass. She tapped my legs and I knew she wanted me to get behind her. As she got on her knees, she reached out for the arm of the sofa as I entered her from behind. I started slowly at first with a nice slow in and out, but as she breathed harder, I thrust faster and faster. My cock slipped effortlessly past her smooth pussy lips. We were moaning and breathing hard while I went to town on her slippery insides.

From behind, I reached down to grab her boobs, kneading them like soft dough, then rolling her perfect eraser-size nipples between my fingers. I moved down to her stomach, resting one of my hands on her warm belly while my other hand slid between her legs and found her clit. I pinched it between my thumb and forefinger, rubbing it up and down. This drove her wild. Then I sat up and leaned back a bit to look down at her tight hairless asshole. I took my pussy-wet finger and slowly moved it around the little brown pucker in a tightening circle.

Before I could go too far, she got off the sofa and then leaned back against its overstuffed arm. Kallie lifted her legs up slowly in a long sensuous V and I took her right ankle and placed it over my shoulder. Then did the same with her other leg. She reached down and grabbed my cock and guided it straight into her pussy. I felt the tip penetrate the moistness and immediately started thrusting in and out. Her pussy was so tight, and so wet. So delicious and it felt so right.

As I kept up my part of the act, I closed my eyes tight as I moved closer with each thrust to another climax. Again, she sensed my impending climax without a word or moan from me. She whispered that I should let it go onto her chest. I pulled out and with body tense, I released a second cumming on her chest and belly. She rubbed the warm gooey potion on her as I found my shirt and handed it to her to wipe herself dry.

"My turn. Your turn." she said motioning me to her pussy by sitting on the sofa arm and opening her legs. I knelt on the sofa in front of her like an obedient (dare I say it?) lap dog and stared at her smooth hairless pussy. I reached behind her ass and pulled her a little closer to make the angle perfect for my task. Then I started lapping it. First all around the lips and the inside of her thighs. She squirmed. Then I'd run my tongue vertically down the slip, then up it, parting the lips further until my tongue hit her clit.

From there, I made small circles with my lips, licked the underside of her clit, and finally took it between my pursed lips and sucked gently on it – at first, then sucked with more suction, and more until I felt I was going to pull it right off her. She squirmed and tightened her legs around my head. I stopped with her clit and slid my tongue into her hole. I felt her pussy lips tighten around it as it slipped through her wetness.

Kallie pushed my head off and down and told me to get on my back. She slid off the arm and right onto my face in a sweaty 69. My cock went straight into her mouth and as I sucked on her clit, she let go a long low groan that was stifled by her teeth biting my cock as she came. She knew how much pressure to apply and then released her teeth as her mouth sand all the way down my cock. Needless to say, this has not happened before.

Okay, I spent the night, and we did make it to work on time the next day. She told me she was free on Tuesday if I could get the day off. I did.

WHY BUY EXPENSIVE LINGERIE YOU WON'T WEAR?

SILLY QUESTION...

Bobbie and I have been together for only a few years but I'm finding it more and more difficult to keep this little vixen pleased. They've been a great three years and next year we're planning to get married. In the meantime, we're trying to live it up before we give it up. When we were in college and for the year after, we partied all the time. Our senior year was spent 60% in clubs and parties, 20% sleeping and 20% classes, and that may be too much. We partied and had sex all the time. But now, sadly, our sex life has stagnated a bit over the past few months, and while we enjoy doing it, we do try to spice it up whenever and wherever we can.

Finding nice birthday presents for her has gotten more and more difficult. Fortunately, Bobbie has become less concerned about her presents than just having a good time and being together. We were in Los Angeles for a couple days on business and her birthday was coming up. I decided to take her shopping on Melrose Avenue. We jumped in the rental car and headed to West LA. In the car we talked about many different things. That's one thing about us, we can keep each other interested just through conversation. Tonight, however, I couldn't help noticing how good she looked in her skirt and blouse that showed off just the right amount of cleavage. She asked me what I was thinking about, so I told her. She unbuttoned her shirt with a sly smile and pulled it open more to show me her new bra and promised to show me her matching panties later. She knew that would make me crazy and I told her she better stop, or... 'Or what?' I countered. She reached over and grabbed my crotch and pinched hard.

She loosened her grip as we approached the street. Fortunately, I found a parking meter right on the Melrose. She said, "You really don't need to buy me anything." I said, "I know, but I really want to so just enjoy yourself." We exited the car, I fed the meter and we walked around looking in the windows of the shops. She got a big smile on her face when we headed into a sexy lingerie store. My plan was playing out perfectly. I told her I would pick stuff out, and she would try it on and if it gave me a woody, I'd let her buy it, and wear it for me at home.

An attractive sales lady came over offering some assistance, but I told her I had it covered. I started out by looking through some teddies and some shelf bras and garter belts. I selected several different combinations and handed them to Bobbie to try them on. She headed for the dressing room, but was a little surprised when I followed close behind. She went to the dressing room furthest back and I smiled and sat in a chair that was right outside her door. The lady working there seemed to know that we were being playful so she just smiled and left us alone. And that was a good thing. As I sat in the chair I was getting aroused thinking about her changing right on the other side of the door from me. I could see her feet under the door and saw the red panty slide up from her ankles as she changed. I was already hard and wanted so badly to just throw the door open and grab her. Over the wall, I heard her say how much she liked the red garter belt set.

I asked her to let me see it and she laughed because she thought I was joking. I said, "Just open the door so I can see it. How else can I decide if I am going to buy it for you?" A few seconds later the door slowly opened about a foot. I stood up from my chair and took her in slowly. She looked great. The panty and garter fit perfectly and the shelf bra pushed her boobs up and exposed her round brown nipples above the cloth line. "I'm speechless." I said. She smiled, retreated back into the dressing room and closed the door.

I collected myself and sat back down to await the next outfit. I watched under the door again as the red thong came off and heard more rustling as she tried on the next piece. My heart was pounding as the door slowly opened again. There she stood with a big smile on her face in a sheer spaghetti strapped nightgown. It was very classy looking and fell to mid thigh. She had nothing on underneath and I nearly popped right there. Bobbie smiled, turned all the way around, and asked me what I thought.

I paid at the register and rushed back to the car. The drive back to the hotel room seemed like only a few minutes as I imagined my hot wife in those sexy outfits, and me pulling them off her. We valeted the car and literally ran up to our hotel room. Bobbie had a look of excitement and nervousness on her face. I grabbed her and kissed her deeply as soon as the door closed behind us. Her breathing was heavy as our bodies touched. I ran my hands up her back, into her hair, and back down her body until I was caressing her silky ass. I could feel that she didn't have any panties on.

She broke our embrace and headed for the bathroom with the lingerie bag. I shouted after her "You know nothing's going to stay on for long." She looked back

at me and smiled mischievously and disappeared into the bathroom. I waited for what seemed to be hours until she came back out into the room. I told her she looked magnificent and hoped she liked her birthday presents. She walked over to me, put her arms around me and whispered "I think I'm going to like this one best of all," and proceeded to kiss me deeply. I began to pull her over to the bed but we stopped inches short as I lifted her up and she wrapped her legs around my body grinding herself into me. I put my arms under her legs and lifted her higher, sliding her up against the wall until her legs were on my shoulders. She took a deep breath of shock and excitement as my hands slid under the night gown and began caressing her ass.

As I slid the nightgown up her waist, my tongue quickly found her already hot and wet pussy. I licked and sucked, taking in her wetness while she let out little moans of approval. I knew she was very turned on so I quickly found her clit with the tip of my tongue and began flicking it fast but gently until I felt her start to tense up. Her hands clinched tightly in my hair as I held her suspended against the wall above me. Slowly, I guided her off the wall and onto the bed. I looked down and found my way back down to her pussy. I sensed she was about to cum and I wasn't about to stop until she did. Her body tensed harder as her first orgasm hit. I continued licking and sucking on her as she came hard. I began to slow my pace and lick gently as she came down from her pulsing orgasm.

She pulled me down onto the bed and started peeling my clothes off. I helped her and in a minute I was naked too with my ridiculously hard cock pointing directly at her. She got down in between my legs and ran her hands up and down my thighs, then she began kissing the shaft as she caressed me at the same time. She then looked up at me while running her tongue up its length and back down several times. What seemed like an eternity to me, she finally took me in her mouth. I was so turned on that I couldn't take this much longer. Bobbie slid her mouth up and down slowly, then she picked up the pace. I reached down and pulled her up. She climbed on top of me, then lowered herself onto me. We both began kissing deeply as she gyrated her hips with me deep inside you. As her hips moved around in circles, I could feel her tighten up on me. She moved her vaginal muscles around inside to squeeze my cock even harder and the added pressure almost made me shoot right then. I felt her climax again, as I was trying hard to hold back. She broke from our kiss as I grabbed her ass and helped her continue grinding on me. After she caught her breath, I positioned her doggie style and got behind her on my knees. She braced her hands on the bed as I entered her from behind and began fucking her at such a fast pace that we couldn't help but shake the bed.

I had to pull out so I wouldn't cum. I sat back on my haunches for a minute as I fingered her wet pussy. I swirled some slippery juice up to her butthole and slowly slipped a finger, then two in it. I got back up on my knees and worked my cock around her anus opening, pushing the head in and pulling it out in a slow, tortuous tease. I finally shoved it in a couple inches and felt her arch to meet my cock. I pushed in some more and she reached between my legs and grabbed my dangling balls. I began to fuck her ass harder as she dropped her head to the bed, heaving her upturned ass at my cock. I felt her hands massaging my balls harder with each thrust. I was now so close to cumming. I reached down and grabbed a fistful of her hair as I quickened my deep thrusts. I whispered that I was going to cum and she whispered back to fill her ass with it. After a few more balls-deep thrusts, I exploded deep in her ass and filled it with what seemed like gallons of my love juice. I held myself there as I had the biggest orgasm of my life.

Bobbie rolled over and I fell down on the bed next to her. "Happy birthday to me." she said in a low moaning voice. We cuddled the rest of the night and fell asleep in each other's arms. In the morning I called the front desk and informed them we would be staying a couple more nights. Bobbie came out of the bathroom that morning to show me the other outfit we had bought. Needless to say, it didn't stay on her very long!

Bailey

TWO TIMED IN THE AFTERNOON

I let myself explore my thoughts, looking for those sexual images which send a shock of adrenaline through my wanting body. Keeping my pussy swollen and turned on, I close my eyes and my thoughts would get carried away. If only there were two strong, willing men who would pin me down on the bed and put their erections inside me.
